No.D.5.1102/45 Office of the Director of Industries and Commerce, Madras, dated 10th April 1945.

SECRETARIAT UNDER SECRETARY TO GOVERNMENT
12 APR 1945
DEVELOPMENT DEPARTMENT

From A. Khaleeli Esq., I.C.S., To the Secretary to Government,
Director of Industries Development Department.
and Commerce, Madras.

Sir,

Sub:- Industries - Sericulture - Silk Filatures at Kollegal - Second lorry - Employment of a cleaner - Sanction - Requesting.

Ref:- G.O.No.Ms.3949, Development Department, dated 13-9-44. and
G.O.No.Ms.4741, Development, dated 4-11-44.

In the G.Os cited, sanction was accorded for the purchase of a second lorry for each of the Filatures at Kollegal and for the employment of drivers for these vehicles. The General Manager, Government Silk Filatures and the Manager, Kollegal Silk Filatures, Kollegal, now represent that a cleaner for each of these two lorries is absolutely necessary. The cleaners sanctioned for the lorries originally purchased cannot be expected to attend to the new lorries as they have to assist their respective drivers and accompany these lorries when they are on commission.

I agree with them and request that Government may be pleased to sanction the employment temporarily for a period up to 31st March 1946 of a cleaner on Rs.15/- per mensem for each of the two lorries sanctioned for the Kollegal Silk Filatures and the Government Silk Filatures, Kollegal in the G.Os cited. If my proposal for the general revision of the pay of the factory staff is approved, the pay of these cleaners also may be fixed at Rs.20-2/2-30, as suggested therein

The additional provision required on this account under "Pay of Establishment" will be included in the budget later in the year.
